## **Independent Auditor's Report**

The Board of Directors
YMCA of the Iowa Mississippi Valley:

## **Opinion**

We have audited the accompanying financial statements of YMCA of the lowa Mississippi Valley (a nonprofit organization), which comprise the statements of financial position as of December 31, 2024 and 2023, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of YMCA of the lowa Mississippi Valley as of December 31, 2024 and 2023 and the changes in its net assets and its cash flows for the years then ended in accordance with U.S. generally accepted accounting principles.

## **Basis for Opinion**

We conducted our audits in accordance with U.S. generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of YMCA of the lowa Mississippi Valley and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about YMCA of the lowa Mississippi Valley's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### Auditor's Responsibilities for the Audit for the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

Anderson hower Whitlow P.C.

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness YMCA of the lowa Mississippi Valley's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about YMCA of the Iowa Mississippi Valley's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

## (1) Nature of Organization and Summary of Significant Accounting Policies

## **Nature of Organization**

Since 1858, the YMCA of the lowa Mississippi Valley's (YMCA or the Organization) mission has worked to strengthen Eastern lowa and the greater Quad Cities by providing the highest quality programs and services and ensuring they are available to everyone. Our cause is delivered through youth development, healthy living and social responsibility. Locally, nationally and across the world, we are a powerful association of men, women and children committed to bringing about lasting personal and social change. With a focus on nurturing the potential of every child and teen, improving the nation's health and wellbeing and providing opportunities to give back and support neighbors, the YMCA enables youth, adults, families and communities to connect and engage to increase confidence, health and security.

## **Program Activities**

Youth Development – Our YMCA is committed to nurturing the potential of every child and teen. We believe that all kids deserve the opportunity to discover who they are and what they can achieve. That is why we help young people cultivate the values, skills and relationships that lead to positive behaviors, better health and educational achievement. Our YMCA programs, from swim lessons and resident camp to basketball and quality child care offer a range of experiences that enrich cognitive, social, physical and emotional growth. In addition, we collaborate and strategically align with our community partners to identify, connect and engage with the most vulnerable and at–risk students to overcome their barriers and inspire them toward greater education, training, college and the workforce.

Healthy Living – The YMCA is a community leader in engaging and inspiring healthy living. Our intention is to provide the highest quality facilities and equipment, delivered with well-trained and nationally-certified staff, made available and accessible to everyone. Although we work to communicate our important charitable intentions, we do not see this in any way as a substitute for quality. Therefore, we recruit great trainers and instructors then ensure all members receive access. This allows us to bring families closer together, encourage good health and foster connections through fitness, sports, guidance and resources they need to achieve greater health in spirit, mind and body. This is particularly important as our nation struggles with an obesity crisis, families struggle with work/life balance and individuals search for personal fulfillment.

Social Responsibility – Our YMCA believes in connecting people and engaging them on critical needs in facing our community. Together, we work with our members, program participants, staff and donors to give back and support everyone, especially our most vulnerable and under–served. Since 1858, our YMCA has been convening, listening and responding to our community's most critical social needs that we deliver successfully in the same marketplace as businesses and services who are not concerned with accessibility for all people. YMCA programs, especially those focused on young children, students and teens are examples of how we deliver training, resources and support that empower our neighbors to effect change, bridge gaps and overcome obstacles. We engage YMCA members, participants and volunteers in activities that strengthen our community and pave the way for future generations to thrive. Our efforts are serving people from all backgrounds, religions, gender and socio–economic circumstances including adults affected by cancer, young people negatively influenced away from productive futures, young children not given complete educational opportunities, seniors disconnected from social environments and families faced with mounting economic obstacles.

As part of our mission, our programs are not only accessible, affordable and open to all faiths, backgrounds, abilities and income levels, but they are also delivered in a high-quality, innovative and market-competitive environment based on easy access for every child, adult, senior and family. We celebrate the spiritual strength that we create by working together.

#### **Notes to Financial Statements**

## (1) Nature of Organization and Summary of Significant Accounting Policies, continued

### Nature of Organization, continued

The YMCA of the Iowa Mississippi Valley consists of six locations with programs that include swim lessons, specialty aquatics, aquatic fitness, personal wellness and training, adult and youth fitness classes, family programs, community events, summer camps and youth sports sessions. The Organization is supported primarily through membership, program revenue and public contributions. The Organization previously operated under the name Scott County Family Y until it changed to YMCA of the Iowa Mississippi Valley in 2020.

### **Summary of Significant Accounting Policies**

### (a) Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles. The Organization evaluated subsequent events through May 19, 2025, which is the date the financial statements were available to be issued.

## (b) Basis of Presentation

Resources are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. Revenues received and expenses incurred in conducting the programs and services of the Organization are presented in the financial statements as operating funds that increase or decrease net assets without donor restrictions. By action of the Board of the Organization (the Board), certain net assets without donor restrictions have been designated for long-term investment or other special purposes as follows:

<u>Board – Designated for Reserve</u> – Net assets designated by the Board of Directors to establish a reserve.

<u>Board – Designated for Endowment</u> – Net assets designated by the Board of Directors for endowment. The Organization's spending policy for endowment funds is based on the discretion of the Board of Directors. Currently, there are no specified limitations imposed, other than prior approval of the Board before use of funds.

<u>Net Assets with Donor Restrictions</u> – Net assets subject to donor–imposed restrictions. Some donor–imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor–imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

### (c) Accounting Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### **Notes to Financial Statements**

## (1) Nature of Organization and Summary of Significant Accounting Policies, continued

## **Summary of Significant Accounting Policies, continued**

## (d) Operating Activities

Operating activities reflect all transactions increasing or decreasing net assets except those items associated with long-term investment such as contributions for endowment, facilities and equipment and investment returns.

### (e) Revenue Recognition

The Organization has multiple revenue streams that are accounted for as reciprocal exchange transactions relating to membership and program fees. As the Organization's performance obligations related to these revenue streams have a duration of less than one year, the Organization has elected to apply the optional exemption provided in FASB ASC 2014–09 "Revenue from Contracts with Customers" and therefore, is not required to provide disclosure of allocations of transaction price to its performance obligations. There are no incremental costs of obtaining membership and program contracts and no significant financing components.

Membership Dues and Program Fees: Membership dues and program fees consist of amounts that families and individuals pay to participate in health, fitness, education and recreation activities and programs. Members join for varying lengths of time and may cancel with 30 days' notice. Members generally pay a one-time joining fee plus monthly dues in advance. Memberships provide use of recreation and fitness facilities, access to free classes, programs and activities and discounts to fee-based programs.

The Organization offers a variety of programs including family, child care, day camp, resident camp, teen, scholastic, fitness, aquatics and health services. Fee-based programs are available to the public. Program fees for short duration programs of two months or less, such as aquatics classes, are typically paid in advance at the time of registration. Program fees for longer duration programs, such as fee-based childcare, are usually paid monthly in advance. Cancellation provisions vary by program, but most transactions are cancellable with a 15 to 30 day notice. Refunds may be available for services not provided. Financial assistance is available to members and program participants which is reflected as a reduction of gross membership dues and program fees.

Revenue from membership dues and program fees is recognized ratably on a straight–line basis in the period the membership or program service is provided, which reflects the consideration the Organization expects to be entitled to in exchange for those services. These contract revenues represent performance obligations satisfied over time. Fees are specific to a distinct performance obligation and do not consist of multiple transactions. Fees paid in advance represent contract liabilities and are recorded as deferred revenue until recognized as revenue in the applicable period. Amounts billed but unpaid are contract assets and are recorded as accounts receivable.

Government Contract Revenues: The Organization contracts with city, state and federal agencies to provide a variety of programs to the public based on fees for services contract requirements. Such fees from government agencies are recorded as revenue as performance obligations are satisfied which generally is when the related expenditures are incurred.

Included in grant receivables are contract assets for unbilled services and receivables for billed unpaid services.

Merchandise Sales: Merchandise sales are recognized at a point in time when the product is sold.

## (f) Support and Expenses

Contributions received and unconditional promises to give are recognized as revenue in the period the contribution or the unconditional promise is received. The Organization reports contributions of cash or other assets as without donor restrictions or with donor restrictions depending on the existence or nature of any donor restrictions. When a donor restriction expires, that is, when a stipulated time restriction or event occurs, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Contributions of assets other than cash are recorded at their fair values at the date of the gift.

Expenses are recorded when incurred in accordance with the accrual basis of accounting. Revenues, support and expenses are allocated directly to the programs to which they relate.

## (g) **Donated Services**

The Organization receives a significant amount of volunteer time relating to clerical activities and program services that do not meet the criteria for recognition as a contribution since such services do not require specialized skills. The estimated value of these donated services is not included in the financial statements since they are not susceptible to objective measurement.

## (h) Expense Allocation

The costs of providing various programs and other activities have been summarized on a functional basis in the statements of activities and in the statements of functional expenses. Personnel costs, occupancy and administrative expenses and depreciation have been allocated between program and supporting services classifications on the basis of time records, actual expense and/or on estimates made by the Organization's management.

### (i) Bartering Activities and Discounted Membership

The Organization periodically provides reduced membership fees and membership trade outs to large local area employers. The membership fees related to these relationships amounted to approximately \$195,500 and \$203,800 for the years ended December 31, 2024 and 2023, respectively, and are recorded net of the discount provided. In exchange for the membership trade outs, the Organization received approximately \$14,500 and \$31,000 in advertising for the years ended December 31, 2024 and 2023, respectively, which is recorded as an advertising and promotion expense.

## (j) Cash and Cash Equivalents

Cash and cash equivalents include all cash accounts which are not subject to withdrawal restrictions or penalties and all highly liquid debt instruments purchased with an original maturity of six months or less.

The Organization maintains its cash and cash equivalent accounts in local commercial banks. Deposits may at times exceed the amount insured by the Federal Deposit Insurance Corporation (FDIC). Uninsured cash balances amounted to approximately \$2,693,000 and \$1,933,000 as of December 31, 2024 and 2023, respectively. Management believes that the credit risk related to these deposits is minimal.

## (k) Contributions Receivable

The receipt of unconditional promises to give with payments due in future periods is reported as donor restricted support unless explicit donor stipulations or circumstances surrounding the receipt of the promise make clear that the donor intended it to be used to support activities of the current period. Unconditional promises to give are reported at the present value of estimated future cash flows, using a discount rate that approximates the interest rate on government securities at the date the unconditional promise is received. Amortization of the discount is recorded as contribution revenue.

### (I) Daycare Receivables

Daycare receivables are carried at original invoice amount less an estimate made for credit losses. Management determines the allowance for credit losses by identifying trouble accounts and by using historical experience applied to new billings. Daycare receivables are written off when deemed uncollectible. Recoveries of daycare receivables previously written off are recorded as revenue when received. The expense for credit losses for the years ended December 31, 2024 and 2023 amounted to \$-0- and \$40,000, respectively. A daycare receivable is considered to be past due if any portion of the receivable balance is outstanding for more than 90 days. Management determined that an allowance for credit losses was not required at December 31, 2024 and 2023.

### (m) Inventories

Inventories are stated at the lower of cost (first-in, first-out method) or market.

## (n) Investments

Investments are stated at fair market value as determined by quoted market prices with unrealized gains and losses included in the statement of activities. Gains and losses on sales of investments are determined by the specific-identification method. Realized and unrealized gains and losses in investments, interest and dividends are reported as increases and decreases in net assets without donor restrictions unless the income is restricted by donor or law.

## (o) Property and Equipment

Property and equipment is stated at cost. Depreciation is computed by the straight-line method over the estimated useful lives.

The Organization's policy is to capitalize assets in excess of \$1,000 and to capitalize improvements to exhibits which are expected to benefit the Organization 20 years or more.

## (p) Advertising Costs

Advertising costs are expensed as incurred and amounted to \$81,816 and \$129,055 for the years ended December 31, 2024 and 2023 respectively.

## **Summary of Significant Accounting Policies, continued**

#### (q) Income Tax Status

The Organization has received notification that it qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and a similar section of the state statutes and, accordingly, is not subject to federal or state income taxes except on any unrelated business net income the Organization may have.

The Organization evaluates the tax benefits of a tax position using the "more likely than not" threshold. As of December 31, 2024, management is not aware of any uncertain tax positions and related tax benefits which would be material to the Organization's financial statements. The Organization files U.S. Federal tax returns which for years subsequent to 2020 are subject to examination by taxing authorities.

#### (r) Leases

Payments related to short-term operating leases are recognized as rent expense as incurred. The Organization has no significant operating leases with terms greater than 12 months requiring recognition of a right-of-use asset, with a corresponding lease liability, at December 31, 2024 and 2023.

### (s) Reclassifications

Certain accounts for 2023 have been reclassified to conform with the preparation for 2024.

#### (2) Pledges Receivable

The Organization conducted capital campaigns to provide funds to assist with the construction of its downtown Davenport facility and the North Scott facility. Unconditional pledges at December 31, 2024 and 2023 are expected to be collected as follows:

		2024	2023
Gross amounts due in:			
Less than one year	\$	299,797	514,305
One to five years		818,000	2,002,832
Six to ten years		115,000	535,000
Total pledges receivable	_	1,232,797	3,052,137
Less net present value discount		38,707	100,447

Less current portion		290,614	489,476

Management has determined that an allowance for uncollectible pledges is not required based on regular evaluations of the collectability of individual pledges receivable.

The composition of investments, at fair value, as of December 31, 2024 and 2023 is as follows:

	_	2024	2023
Cash and cash equivalents	\$	5,058,993	2,664,002

Pooled investments – Community Foundations		152,394	141,899
	\$_	20,528,017	17,079,086

The Organization is a 1/8 beneficiary of two Weinzweig Trusts, which are considered to be net assets with donor restriction. As of January 1, 2011, one of the trusts began paying 5% of the trust corpus to the beneficiaries each year. Annually, the asset is adjusted to 1/8 of the fair value of the assets held in the trust accounts. The fair value of the Trusts as of December 31, 2024 and 2023 amounted to \$295,911 and \$277,657, respectively. Changes in the fair value of the underlying assets in the trusts are reported as contributions on the statement of activities.

The Quad Cities Community Foundation holds funds in the name of the Organization which can be released at the request of the Organization and approval of Community Foundation's board. Annually, the asset is adjusted based on the statement value to the fair value held in the fund. Funds held by the Community Foundation in the name of the Organization amounted to \$135,814 and \$126,446 as of December 31, 2024 and 2023, respectively. The Community Foundation of Dubuque also holds funds in the name of the Organization which amounted to \$16,580 and \$15,453 at December 31, 2024 and 2023, respectively, which is also adjusted annually based on the reported statement value. Changes in the fair value of the underlying assets of these funds are reported as unrealized gains (losses) on the statement of activities.

The Organization's investments are exposed to various risks such as interest rate, market and credit. Due to the level of risk associated with such investments and the level of uncertainty related to changes in the value of such investments, it is at least reasonably possible that changes in risks in the near term could materially affect investment balances and the amounts reported in the financial statements.

Investment income reporting in the statements of activities for the years ended December 31, 2024 and 2023, is summarized as follows:

	_	2024	2023
Interest and dividends	\$	376,760	591,241
Net realized gain (loss) on sale of investments		167,308	(26,075)

Net investment income	\$_	1,757,934	1,941,590

### (4) Fair Value Measurements

The fair values of investments consist of the following as of December 31, 2024 and 2023:

### Fair Value Measurements Using:

	_	Fair Value	Quoted Market Prices (Level 1)	Significant Other Unobservable Inputs (Level 3)
December 31, 2024 Cash and cash equivalents	\$	E 059 002	E 059 002

	\$_	17,356,743	16,937,187	419,556

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of quoted prices in active markets of similar assets for assets in non–active markets and Level 3 inputs consist of other valuation techniques which have the lowest priority. The Organization uses appropriate valuation techniques based on the availability of inputs to measure the fair value of its investments. When available, the Organization measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There were no investments that required the use of level 2 inputs in 2024 and 2023 and there were no changes in the methods used to measure fair value or transfers between Levels in 2024 and 2023.

#### Level 1 Fair Value Measurements:

The fair value of all investments, except the pooled investments and the Weinzweig Trusts, are based on quoted market prices in active markets.

### Level 3 Fair Value Measurements:

The fair value of the Weinzweig Trusts is based on values reported to the Organization on an annual basis. The underlying assets in the Trusts consist of fixed income and equity securities. The pooled investments primarily consist of funds held by two community foundations which are maintained in a pooled separate account in which the underlying assets of the accounts are publicly traded investments with quoted market prices. Thus, the fair value of the Organization's investment is based on the quoted market prices of the investments within the pooled separate accounts.
